### *Greetings from the “Voice of Business”*

Did you know that Vanderhoof’s most successful and reputable businesses have one thing in common? – they are also members of the Vanderhoof Chamber of Commerce!

The Chamber is the central and unified voice of 200 businesses and represents the business community at the various levels of government. We have a very powerful voice through our association with the BC and Canadian Chambers of Commerce, and with BC Tourism. Ours is also the organization through which many Vanderhoof companies meet and do business. *A valuable perk in our electronic age is your business listing on the Chamber website, with links to your email and web addresses.*

We invite you to invest in your own business and in the Chamber, by becoming a member today. Just fill out the application and return it to us along with your tax deductible payment for your membership fees. This investment will be offset each year by the cost-saving benefits and the business-promoting value of Chamber membership.

Should you have any further questions, please contact me. We would also be happy to put you in touch with other satisfied Chamber members. I look forward to working with you to promote your business.

Sincerely,

Erin Siemens,  
Office Manager

## Vanderhoof Chamber of Commerce

### Member-to-Member Discount Program

---

**This program is another great way for Chamber Members to do business with their fellow members. This is simply a win, win situation for everyone!**  
**Participants will receive additional business and all members will receive valuable discounts and/or special services from their fellow members.**

#### Here's how it works...

1. **If you wish to participate**, complete the form below and return it to the Chamber of Commerce office.
2. Consider what your business would like to offer as a special discount on your products or services. For example:
  - A percentage discount off any purchase.
  - A percentage off any particular item you carry.
  - A percentage off a particular service you offer.
  - A certain number of hours of service free or at a discount.
2. The *Chamber website* provides a list of all businesses offering member discounts, as well as details of the discount on your business page. Each month a *participating business is featured* on the agenda for the Retail/Service Committee meeting. (This agenda is distributed to all members.)
3. *Members must show their membership card* at participating businesses to receive the discount offered.
4. Participation must be ongoing for a minimum of one year.

**It's that simple!**
