

President Report

Thanks to all members for their support of the trade show. The show was successful and from the comments received everybody felt it was a good event for them.

We have been hearing concerns of how out of date our Website is, at our last meeting these concerns were addressed and we will be working to take over complete control of the maintenance of the site, something a third party is doing for us now.

I like to invite the membership to come out to our meeting and BBQ on June 10th, it will be a great opportunity for the membership to discuss any concerns you may have as well as get an update on what our plans are for the rest of the year. If there is anything I can do for you in the meantime please get a hold of me, I will gladly do what I can to help.

Joe
